

The drawing illustrates the proportions of a classical column. The elevation view on the left shows the column's height divided into sections: Baza (Base) with a height of 1/4D, Plinta (Footing) with a height of 1/4D, Trzon (Shaft) with a height of 621, and Głównica (Capital) with a height of 1/2D. The total height is 115. The section view on the right shows the column's profile with various dimensions: 92 (total width), 69⁵ (width of the capital), 76 (width of the shaft), 65⁵ (width of the base), 74⁵ (width of the shaft), 110⁵ (width of the base), and 115 (total width). The capital is divided into three parts: Abakus (top), Echinus (middle), and Pierścień szyi (neck ring). The shaft is labeled Gładki trzon (smooth shaft). The base is labeled Baza. The footing is labeled Plinta. The capital is labeled Głównica. The total height is 115. The total width is 115. The drawing includes various labels for the parts of the column: Abakus, Echinus, Pierścień szyi, Gładki trzon, Baza, Plinta, and Głównica. The drawing also includes dimensions for the column's height and width, as well as the height and width of the capital and base.
